BDO er et statsautoriseret revisionsaktieselskab, der leverer ydelser inden for rådgivning, revision og regnskab til alle former for virksomheder. BDO har kontorer i 30 danske byer - herunder Hirtshals - som alle kan trække på en lang række specialafdelinger inden for fx skat og moms. Produktpaletten går fra bogføring til kompliceret skatterådgivning. BDO er en del af det verdensomspændende BDO netværk, der har godt 64.000 medarbejdere i 154 lande.

Faglighed

Som professionel videns- og rådgivningsvirksomhed er faglighed udgangspunktet for BDO's arbejde. Vores revisorer, specialister og konsulenter er altid 100 % opdaterede, og de har både national og inter-national markedsindsigt, branchekendskab og specialviden. Derfor kan vores kunder stole trygt på, at det vi laver overholder alle regler og love til punkt og prikke.

Indlevelse og engagement

Med fagligheden som fundament er det indsigt, indlevelse, engagement og samarbejde, der gør os i stand til at forstå vores kunders udfordringer og levere den rette rådgivning. De lokalt forankrede kontorer sikrer, at BDO er helt tæt på de markeder, hvor kunderne driver deres forretning til hverdag. Afdelingen i Hirtshals, der er centralt placeret på Hirtshals Havn, kender således det lokale nordjyske erhvervsliv, herunder fiskerierhvervet særdeles godt.

BDO is a state authorized auditing firm, which delivers a wide range of services within consulting, accounting and audit for any kind of company. BDO has offices in 30 Danish cities, including Hirtshals, several specialized branches, and is a part of the international BDO network. The range of services consists of everything from book-keeping to complicated tax consulting.

Professional knowledge

As a professional knowledge and consulting firm, knowledge is fundamental for the work of BDO. Our accountants, specialists and consultants are always 100 % updated. They have national as well as international market insights, business and specialized knowledge. Therefore, our customers can always trust that a service provided by BDO complies with all laws and regulations to the letter.

Empathy and commitment

With the professional knowledge as a foundation, it is the insight, empathy, commitment and cooperation with our customers that make us able to understand the challenges of our customers and thus offer thoughtful counselling. The local offices ensure that BDO is close to the markets where the customers do business every day. Thus the branch in Hirtshals, centrally placed on the port of Hirtshals, knows the local business community in northern Jutland, including the fishing industry, really well.
