Vendelbo Spedition leverer alle former for transportløsninger til lands, til vands og i luften over hele verden samt transportrelaterede opgaver i alle døgnets 24 timer. Hos Vendelbo Spedition er det målet at levere effektive transportløsninger af højeste kvalitet, og hver eneste medarbejder sætter personlig en ære i at yde høj service og leve op til det, som kunden er blevet lovet.

Foruden transporter over hele verden yder Vendelbo Spedition også service inden for følgende områder:

Told

- Korrekte eksportprocedurer og korrekt fortoldning sikrer din virksomhed mod spildtid og toldbøder
- AEO certificeret. Alle toldprocedurer er nøje dokumenteret og gennemgået af SKAT
- Online systemer hos både det danske og norske toldvæsen

Lager

- Moderne sikrede lagerfaciliteter både almindeligt lager og toldoplagering
- Opsplitning, mærkning, plukning og andre ydelser du måtte ønske

Afhentning og distribution

- Af gods i hele Danmark med landsdækkende distributionsbiler med eller uden løftebagsmæk

Norge

- Kørsel til/fra hele Norge uden omlastning med eget materiel og danske chauffører
- Chaufførerne har årelang erfaring i de specielle forhold ved kørsel i Norge
- Direkte levering hver uge fra Kristiansand i syd til Kirkenes i nord
- Køl, frys, stykgods m.m. kan liftleveres i hele Norge

Ud over professionelle veluddannede medarbejdere og danske faguddannede chauffører sikres kvaliteten også af nyt, velfungerende og miljørigtigt materiel, moderne terminal samt topmoderne satellitovervågning og kommunikationsudstyr, så alle chauffører kan kommunikere direkte med firmaet via integrerede transportsystemer og mail. Vendelbo Spedition leverer således altid til den aftalte tid.

Vendelbo Spedition delivers all kinds of transport solutions on land, at sea and in the air all over the world plus carriage related tasks 24 hours a day. At Vendelbo Spedition the goal is to deliver effective transport solutions of the highest quality, and every single employee takes personal pride in providing a top-level service and living up to what the customer has been promised.

Besides transport all over the world Vendelbo Spedition also provides service within the following areas:

Customs

- Correct export procedures and correct payment of duty secure your company against wasted time and customs penalties
- AEO certified. All customs procedures are carefully documented and gone over by SKAT
- Online systems both with the Danish and Norwegian customs service

Warehousing

- Modern secure storage facilities both regular storage room and customs warehouse
- Division, tagging, pick and pack and other services that you might wish for

Collection and distribution

- Of goods in all of Denmark with nationwide distribution cars with or without lifting back-board

Norway

- Driving to/from all of Norway without transshipment with our own equipment and Danish drivers
- The drivers have many years of experience in the special conditions surrounding cartage in Norway
- Direct delivery every week from Kristiansand in the south to Kirkenes in the north
- Refrigeration goods, freezing goods, general cargo etc. can be delivered by lift in all of Norway

In addition to professional well-educated employees and Danish skilled drivers the quality is also ensured by new, efficient and environmentally sound equipment, modern cargo terminal plus state-of-the-art satellite monitoring and communication equipment, so that all drivers can communicate directly with the company via integrated transportation systems and mail. Thus Vendelbo Spedition always delivers at the appointed time.
